Dear Potential Sponsor,

The Deltona High School Choral Program has been presented with a wonderful opportunity! After an application process and two strong years of rebuilding our program, we've been invited to perform at the 75th Annual Pearl Harbor Memorial Parade on December 7th, 2016. This parade will "provide a meaningful tribute to our veterans and armed forces while featuring talented performing groups, associations, local, state and national dignitaries and organizations, along with military groups and officials joining together to share the Spirit of America with the citizens and visitors of Hawaii."

Attending a trip of this magnitude and being able to be a part of American history is a once in a lifetime opportunity for our students. Budgeting for this trip is also something that the majority of our students cannot undertake alone. For this reason, we, as a program, would like to invite you to sponsor us on our trip to Pearl Harbor this coming December.

Please consider one of the following sponsor options to support the trip of a lifetime:
