Dear Parent:

Your opinion is extremely important to us! The Florida Department of Education (FDOE) requests your participation in this survey. Survey results provide the state with information on how well schools are supporting parental involvement in their child's education. This information will help guide school and district improvement efforts. The state-, district- and school-level results of this survey will be posted on the FDOE's website at <http://www.fldoe.org/ese/parent/>.

The deadline for completing the survey is June 30, 2022. Individual responses are confidential, and no personally identifiable information will be included in data or reports provided to the FDOE or districts. The survey and a self-addressed, postage-paid envelope are enclosed. The FDOE has contracted with Piedra Data Services to receive the completed survey and compile the data.

If you prefer to complete the survey online, please visit the following Web address and enter the unique Survey ID below:
